

# Social story about Lockdown Policy

This is a social story  
about the Lockdown  
Policy

When we hear the set  
word over the radio-  
"Soteria"

This means  
"situation danger"

We need to stop  
what we are doing.

We will all go to the  
nearest classroom.

Staff will need to  
close the blinds,

Staff will need to  
close the windows,

Staff will need to  
close the doors,

Staff will need to  
turn off the lights.

We will all get down  
under our desks.

We can read under  
our desks,

Or do some  
colouring.

We must be quiet.

We will be told when  
it is ok to come out.

We will hear the words  
"Soteria Iterium" over  
the radio.

This means that it  
is safe to come out.

It will be ok.
